About Ireland Inc.

Based in Henderson, Nevada, Ireland Inc. (www.irelandminerals.com) is a minerals exploration and development company that targets properties containing large-scale deposits of precious metals in the southwestern United States. The Company is currently involved with two mining projects, both of which are prospective for gold and silver. In early 2008, Ireland completed the acquisition of the Columbus Project located in Esmeralda County, NV, near Tonopah, where it also has an option to acquire additional adjacent mineral claims. Ireland also owns rights to acquire up to 100% of the Red Mountain Project in San Bernardino County, California.
